"Door at the end of the hall," said a stoned female clerk.

specially formulated

She was about eighteen or nineteen and far more interested in her celebrity gossip magazine than customer service. I couldn't blame her. Hers was an awful job. When not dying of boredom she had to deal with every pervert in town.

For her sake I hoped she wasn't tasked with cleaning the video arcades. Talk about a dirty job. Jizz city. As a salesman for a leading manufacturer of cleaning products, I had certainly seen my share of cum-stained jerkoff booths.

Closed doors flanked me on both sides as I traversed the short hallway. Moaning and groaning and all manner of filthy banter filled my ears. Business was booming. I smiled in anticipation of a successful cold call. This joint could definitely benefit from any number of the fine products I had to offer.

Having reached the door, I gathered myself and knocked.

"It's open," a gruff male voice uttered.

I opened the door to a small, cluttered office reeking of cigarette smoke. The owner of the gruff voice was a fat slob with an oily combover. He didn't seem happy to see me.

"Yeah?"

"Jim Shinder." I crossed the threshold and offered my hand. "Acme Commercial Cleaning Products . . ."

He pumped my hand once, eyeing me balefully while poking a fresh smoke in his mouth. A real health nut, this guy. I waited for him to offer me a seat, waited and waited some more. I finally gave up and started my sales pitch

from a standing position. No sooner had I finished my spiel than he dumped his cigarette in an empty soda can and grinned like a crocodile.

"Cum is messy," he said matter-of-factly, letting the statement hang there between us.

"But no match for Acme's specially formulated, top-of-the-line, all-purpose cleaning spray," I replied with the utmost confidence. "I'd love to give you a demonstration."

"Maybe some other time."

"It'll only take a moment."

"I'm kinda' busy."

"You'll be amazed at the results."

He expelled a weary sigh and ran an enormous

hand over his five o'clock shadow. "Five minutes. That's all you get . . ."

We lucked up and found an empty booth. I opened the door, fully expecting the smell of fresh jizz to punch me in the face. After all, this wasn't my first rodeo. Imagine my surprise upon entering a spotless booth. No splodge running down the purple walls. No stubborn stains from years of spent loads. Nothing.

"Well—uh—er," I uttered, not knowing exactly how to proceed. I needed a dirty booth to demonstrate my product. This one was anything but . . .

"Some of these degenerates actually clean up after themselves," he explained. "Rare, but it does happen."

There was a roll of paper towels and a spray can of foaming disinfectant cleaner on the floor. The latter was manufactured by one of Acme's most fierce competitors. Unfortunately, there was no cum to clean up, no way for

*(She licked my shaft, ballbag to glans, prepping me expertly.

me to demonstrate the superiority of my product.

But that changed when the stoned clerk showed up to ask her boss if she could take an early lunch break.

His eyes lit up, a lewd grin spreading across his jowly face. He grabbed her upper arm and whispered something in her ear. She appraised me, then nodded. “Sure thing, Mr. Butkowski. Sounds like fun . . .”

She entered the clean booth and beckoned me to follow. I didn’t move an inch. Confused, I looked at her boss.

“Go on,” he remarked. “Get your ass on in there. Or don’t you want to make a sell?”

“I don’t follow—”

“The other booths are occupied. This one is vacant but clean. Dirty it up. Then wow me with this super-duper cleaner of yours . . .”

“Dirty it up?”

“Shoot your wad.”

The stoned clerk giggled. She was having a blast, getting a big kick out of my reaction. I was shocked, to say the least. And excited. So much so that I stepped into the booth and closed the door behind me. No sooner had I set my sample case on the floor than the clerk knelt before me and unzipped my slacks. I placed a hand on the wall, steadying myself as she freed my prick and employed her tongue.

She licked my shaft, ballbag to glans, prepping me expertly. I had no idea who was watching the store in her absence—her sleazy boss?—nor did I particularly care. Talk about a cold call to remember! I couldn’t wait to tell the other salesmen. I was sure to achieve legendary status with the Acme corporation.

The stoned little cock gobbler dispensed with the preliminaries and proceeded to blow me in earnest. One hand gripping the base of my dick, she whipped her head to and fro. She moaned around my meat, her moist lips pump-

ing me frenziedly. Hand stroking in perfect tandem with her greedy mouth, she brought me to the brink several times, teasing and titillating, showing me exactly who was in charge . . .

“Oh, shit,” I uttered when she withdrew for a breather. Spittle stretched between my cock and her lips like taffy, bridging us as she fixed me with her bloodshot eyes.

“Ready to come for me, baby?”

“You know it . . .”

She reminded me to shoot my jizz all over the walls. Then she devoured me for the final act. No longer employing her hand, she sucked me to completion, triggering one of the most intense orgasms of my life. Having pulled out of her ravenous maw, I

blasted the booth with jizz, distributing my large load on two of its four purple walls . . .

I was tucking away my junk when she crouched and tore off some paper towels from the roll on the floor. Employing much elbow grease, she smeared my spunk willy-nilly, making a series of elongated streaks which would surely put my cleaner to the test. I had no doubt that her boss had instructed her to do this, probably right after he had told her to give me a blowjob.

She had just finished her task when he rapped on the door. “Hurry up in there! I ain’t got all—”

I opened the door and stepped aside. He waited for his diligent employee to exit the booth. “You can go to lunch, Bonnie. I’ll take it from here.”

“Thanks, Mr. Butkowski. I’ll be back in an hour.”

I watched her walk down the hall enroute to the store proper. Her short denim skirt left little to the imagination. I admired her coltish legs, imagining them wrapped around my waist as I pounded her pussy.

“She’s something else, huh?”

Butkowski’s remark put the kibosh on my fantasy.

Feeling like a million bucks, I exited the store and walked to my car. Gravel crunched beneath my shoes. Butkowski should have the lot paved.

“She sure is,” I replied.

He entered the booth and took a look around, smiling with satisfaction. “Bonnie’s dumber than a brick,” he stated bluntly, “but she gives great head.”

I could only vouch for the second part of his statement. Not that I needed to. The white streaks said plenty about Bonnie’s oral skills.

My sales demonstration was a resounding success. I sprayed the walls with copious amounts of cleaner, then used paper towels to wipe them clean. The booth was spotless, the pungent odor of cum replaced by a pleasant citrus scent.

“Well,” I said to Mr. Butkowski, “what do you think?”

“Not bad.”

Some of the other booths had started to empty out. Anonymous men, sated for the time being, scurried back to their ho-hum lives; no doubt they were already looking forward to their next visit to the Adult Fun Palace.

“They left just in time.” I proffered the spray bottle. “Care to give it a try?”

Butkowski looked at me like I was crazy. “I’m the owner, Mr. Shinder. I don’t clean up cum. That’s Bonnie’s job.”

“Sorry, sir. I meant no offense.”

He waved his massive mitt dismissively. “Forget about it. And give me three cases. You take a check?”

“You bet I do.”

Feeling like a million bucks, I exited the store and walked to my car. Gravel crunched beneath my shoes. Butkowski should have the lot paved. Smooth blacktop with yellow lines would really spruce the place up, give it a touch of class.

I had almost reached my four-door sedan when I spotted Bonnie. The hood of her old hatchback was up. Bent over the grill, she stared at the engine shaking her head with dismay. Poor gal. So much for a lunch break. She had

been out here the whole time.

“Let me take a look,” I told her after stowing my sample case in the trunk of my car.

Luckily hers was a minor problem. Nothing more than a loose sparkplug. I had her car running in a jiffy.

She slid behind the wheel. “Thank you so much.”

“I’m the one who should be thanking you.”

I was referring to the blowjob, of course. She smiled knowingly.

“Well,” I said, “have a nice day.”

“Have you eaten?”

“I have not,” I told her.

“Care to join me?”

“I’d love to, Bonnie.”

Dealing with the stalled

car had eaten a good twenty minutes out of her lunch hour. We grabbed a quick bite at a drive-in burger joint. Our carhop sported neon green hair and used a skateboard instead of roller skates. Bonnie knew her by name. Lilly, she explained, had applied for a job at the Adult Fun Palace not too long ago.

“No shit?”

“Mr. Butkowski didn’t like her looks,” Bonnie said. “Also, she wouldn’t suck him off during the interview.”

“Did you?”

“Did I what?”

“Suck him off.”

She looked at me like I was retarded. “Of course. Jobs are hard to get in this dead-end town. I sucked his dick to get the job and keep on sucking it to stay employed . . .”

I believed her. I also believed that she wanted something other than a hot fudge sundae for dessert. Turns out I was right. The local lover’s lane—a rutted dirt road heaped with rusted home appliances, blown out tires, and rotten lumber—wasn’t exactly scenic, but it was adequate for our needs.

Having nutted before lunch, I was moderately con

cerned about not being able to perform. After all, I was pushing forty. Bonnie reached over the center console, grabbed my hand, and shoved it under her skirt. Feeling her wet pussy allayed my fears, giving me an instantaneous boner.

“What do you say, Mr. Salesman? You ready to fuck this tight little cunt?”

“I am,” I replied, “and I will . . .”

She preceded me to the backseat, climbing with the agility of a monkey. Oh, to be young again! By the time I joined her she had already lifted her skirt above her bony hips. She lay there on the backseat, legs spread, rubbing her pussy in anticipation of a good and proper poking. Bonnie hadn’t worn panties to work. Based on what she had told me about her boss—well, this didn’t surprise me in the least. When the store got slow, she probably did a lot more than give him head.

I hastened out of my shoes and slacks and mounted, plunging my prick into her cooze. She was a slut, sure, but still plenty tight. Her teen twat gripped me as I thrust repeatedly. It wasn’t long before she wrapped those coltish legs of hers around my waist. Just like I had imagined back at the store. It was almost as if she had read my dirty mind.

I wondered if the whole scene with her stalled car was a ploy to lure me out here. Not that I required such an elaborate measure. She could have taken the direct approach and just told me that she wanted to fuck. But maybe she got a kick out of playing games, a kick out of loosening her own sparkplug and seeing if I would take the bait.

It wasn’t long before we switched positions. At Bonnie’s urging, I withdrew and stretched out on the backseat. She climbed on top of me, using her hand to guide me inside her. She

rode me nice and slow, grinding her hips, savoring every inch of my stiff member.

“Show me your tits,” I told her.

Bonnie unbuttoned her blouse; it fell from her shoulders as she deftly removed her front closure bra. Her tits were of the itty-bitty variety, enticing little cones capped with turgid brown nipples. I covered them with my hands, squeezing and kneading her taut flesh. She sighed and rode me harder, faster. I pulled and twisted her nipples, prompting her to gasp as she bucked her way to an explosive orgasm.

She was still shuddering and twitching when, some thirty seconds later, I blew my wad inside her. My second orgasm in less than an hour. Still, I managed to produce a respectable load. A testament, I knew, to Bonnie’s sexual prowess. She was young, yeah, but highly talented in all the right ways. This made perfect sense. A dead-end town like hers provided few recreational options. No doubt Bonnie spent much of her free time sucking and fucking

the local male populace. If only I had grown up in a place like this my, my head count would be way up there.

We rode back to the Adult Fun Palace. The gravel parking lot was still filled with cars. “The arcades,” Bonnie said as we got out of her hatchback, “are the main draw. Without them this place would go out of business . . .”

“Naw that’s job security,” I remarked drily, knowing I was telling it like it is.

She frowned. “And buckets of cum to clean.”

I felt bad for her. But at least my product would make her life easier. With any luck she would plow through those three cases in record time. I couldn’t wait to come back here and replenish her supply! Maybe next week, maybe even tomorrow!

She was still shuddering and twitching when, some thirty seconds later, I blew my wad inside her. My second orgasm in less than an hour. Still, I managed to produce a respectable load.

BLAIR-NTS-09

She Got Game

We both picked out the loudest outfit we could and headed to the bathroom to try them on, opting to share a family stall for more room and a more private sink for rinsing off.

I've never been much of a sports person, but that's sometimes the price I've had to pay for some of the men I've dated. My current boyfriend is something of a sports nut, following all the local teams, and going to all the games he can. More than once, he thought this would be a great gift to me so that we could share the experience, and usually, I just smile and nod and let him take me while I scroll through social media through the game, then he takes me home, and uses me to get himself off before he passes out.

A couple weeks ago, though, I found a way to actually enjoy one of the games. A little bit after the game started, I excused myself to start walking the concourse, which is usually more interesting than the game for me, and headed up to take a couple of laps. I was looking around and that was when she quite literally ran into me. Hailey was a good 6'3", with medium length jet black hair that went down to her shoulders.

She had a tray of drinks and snacks and lost track of where she was going and stumbled into me, knocking us both to the ground, covered in stadium food and drink. My first reaction was anger, but the moment I locked onto her electric blue eyes, I knew that I couldn't be mad at her. Her look was one of fear, yes, but also one of resignation. The same one I had when I came to these games. I saw myself in the way she looked back at me, though she was quickly pulled off me as help started to arrive.

Once the staff figured out that we were alright, we were finally left in peace to laugh at how we looked, and we quickly started getting along as we offered to buy each other new clothes at the team store. We both picked out the loudest outfit we could and headed to the bathroom to try them on, opting to share a family stall for more room and a more private sink for rinsing off.

I've been called pretty before, standing a good

6', with long, curly brown hair. But Hailey looked at me in an all-new way. Her eyes, the same ones that showed such fear when she crashed into me, now were alive with hope and life, even enjoyment. She offered to help me rinse out my hair as I stepped towards the sink. I agreed and pulled off my shirt to make my hair easier to clean, leaving me in a bra that was about a size too small, forcing my boobs up and outward.

And as much as my eyes had been locked on her since we met, it was her touch that finally broke me. She was gentle and caring, with just enough sensuousness to make it interesting. And when I looked back up at her, I saw a radiant expression that just drew me into those beautiful, ruby red lips.

As soon as our lips met, we were in each other's arms. Before I knew it, she had unhooked my bra and pressed herself against my chest, holding me close. We took our time, making out and enjoying one another, and it was a few minutes before I finally had her shirt and bra off. The moment I did, I was leaning her back against the wall and letting my mouth move from her face to her neck and collar and finally to her perky breasts. She didn't seem to care about moans or groans, making sure I knew exactly when I got the right spot.

She then flipped me around and took over, moving to return the favor on my chest while her fingers continued to do some exploring. Reaching around, they found my plump and juicy ass, holding on and scooping it while she licked at my boobs. Then, she pulled her mouth away briefly, looking up at me as her fingers slid up into my asshole.

I hadn't expected the sudden pressure and let out a loud scream that quickly turned to a pleasurable moan as she worked up a rhythm. But she didn't want me too comfortable, because as soon as I started to move with her, those fingers slid out and moved around my leg.

I brought her up in a long, lingering embrace with my hands cupping her chin, but that didn't stop her fingers from continuing their journey, and within seconds, those fingers were sliding up my pussy for even more jolts of pleasure. Who was I to resist!

It didn't take long for her to push me over the edge, and I was quickly on my knees, allowing my tongue to flicker up inside her to return the favor. The tension was quick to release as she surged with pleasure. We held each other for a few minutes before finishing washing up and dressing in the new clothes we got. And as we left, we agreed to keep in touch. Future games are going to be a lot more interesting.

A close-up portrait of a blonde woman with blue eyes, wearing a purple and black striped halter top. She has a tattoo on her left arm. The background is a textured, grey stone wall.

STACI THORN ***ANAL VIXEN***

I have an overwhelming lust for man sex. An uncontrollable thirst for man juice. Recently, I went on the prowl for cock and it looks like I found me some. Who could resist me when I look like this? Always one to be in control, I'll make my loverboy fuck my pussy. And when I'm done with that, I offer up my sweet ass for his hard, throbbing cock.
